# MISSING

[WWW.ANIMALSEARCHUK.CO.UK](http://WWW.ANIMALSEARCHUK.CO.UK)

Missy is a  
BLACK AND  
BROWN  
tortoiseshell

She has a distinctive  
**BROWN LINE** going  
up vertical from nose  
to the top of her head

She has a collar  
however this  
may have been  
lost or removed

Missy was last seen on

**Tuesday 3rd September  
2013**

in **Arnold, Notts, NG5.**

- Missy is micro chipped – any vet will **scan her free of charge** to confirm ownership.
- She is neutered and **cannot** be used for breeding.
- If you see a cat that looks like Missy, please **try and take a photo on your camera or mobile phone** so that her owners can see the photo if the cat has gone by the time they get there.
- Do you know anyone who might have started feeding her or adopted a new cat around the time of Missy's disappearance?
- **Missy could have been locked in your shed or garage by accident - please check thoroughly.**
- Drivers, did you see an accident that could have involved Missy?
